All goods and services provided by Revera shall follow the principles of dignity, independence, integration and equal opportunity.

Revera will use its best efforts to accommodate all assistive devices. However, if necessary, Revera will use alternate methods to provide service to customers with disabilities in a manner that takes their disability into consideration.

some parts of the common areas of the premises, Revera will provide alternative measures to enable the person to obtain, use or benefit from the service.

If it is not readily apparent that an animal is being used as a service animal for reasons relating to the customer's disability, Revera may request verification from the customer. Verification may include:

- A letter from a physician, nurse or a Regulated Health Professional (e.g. chiropractor, audiologist, optometrist) confirming that the person requires the animal for reasons related to the disability;
- A valid identification card signed by the Attorney General of Canada; or
- A certificate of training from a recognized guide dog school or service animal training school.

The customer that is accompanied by a service animal is responsible for maintaining care and control of the animal at all times.

If a health and safety concern presents itself, for example in the form of severe allergy to the animal, Revera will make all reasonable efforts to meet the needs of all individuals.

Support Persons

Revera recognizes that some individuals with disabilities rely on support persons for assistance while accessing services. A person with a disability who is accompanied by a support person will be allowed to enter into our premises together with the support person and will not be prevented from having access to the support person while on the premises.

When necessary to protect the health or safety of a person with a disability, Revera may require a person with a disability to be accompanied by a support person when on the premises. In situations where confidential information will be discussed, consent will be obtained from the customer, prior to any conversation where confidential information is discussed.

If the customer is paying for additional services, such as a meal or an outing, support persons may also be required to pay all or a portion of those costs at the discretion of the site.

Notice of Temporary Disruption

Revera will make every effort to notify customers with disabilities of any planned or unexpected disruption to its service or facilities. This notice will include information on the reasons for the disruption, the expected length of the disruption and a description of alternative facilities or services, if available. There may be situations where advanced notice will not be possible.

Where practical, this information will be posted on the premises. Customers with appointments will be contacted and informed of the disruption.
