Dear Ms. Morin,

Re: 2013-16 Long-Term Care Home Service Accountability Agreement

When the Waterloo Wellington Local Health Integration Network ("the WWLHIN"), and your organization entered into a service accountability agreement for a three-year term effective April 1, 2013 (the "LSAA"), the performance indicators for 2015/16 were indicated as "To Be Determined (TBD)". The WWLHIN would now like to update the L-SAA to include new indicators, targets and standards for 2015/16 fiscal year to Schedule D.

Subject to your agreement, the L-SAA will be amended with effect April 1, 2015, by adding the amended Schedule D that is included as Appendix 1 to this letter.

To the extent that there are any conflicts between the current L-SAA and this amendment, the amendment will govern in respect of the Schedule D. All other terms and conditions in the L-SAA will remain the same.

Please indicate your acceptance of, and agreement to this amendment, by signing below and returning one copy of this letter to reports@lhins.on.ca by March 1, 2015. If you have any questions or concerns please contact Stacey Rous, Director, Performance and Accountability, 519-650-4472 extension 231.

We appreciate your ongoing commitment to the delivery of high quality, integrated services for residents.

Sincerely,

Bruce Lauckner
Chief Executive Officer
